

Week beginning 05/11/18

This week your child will have been learning about:
Diwali

Literacy

Our book of the week was:

The story of Rama and Sita. This traditional Hindu story tells of the origins of Diwali.

Word on the Street:

This week our word is: Celebration

The act of rejoicing in a specific event or time. This term we are discussing all the different celebrations that different cultures.

Numeracy

Counting:

This week the children have been practicing counting specific amounts.

Phonics

This week we learned the sounds h, b, f,

Find these sounds in the world around us. Practice writing them where you can.

Topic: Diwali

This week the children learned about the celebration of Diwali. We had a parent volunteer teach the children a traditional dance, we made rangoli patterns and diya lamps. Talk with your child about what they learned about Diwali

How you can help your child at home:

Practice the sounds of the week, reading and writing. Please only talk to you child about the letter SOUNDS not the letter name as it will be too confusing for them. Practice writing their names and any words that may have the sounds of the week in them.

Counting objects where you can, identify numbers and writing them.

Things to remember:

- Every Thursday children must bring in their PE kits. We are now officially changing for PE and the children will need the appropriate clothing.

Thank you for your ongoing support.
