

FOREST ACADEMY

Reception Curriculum Weekly

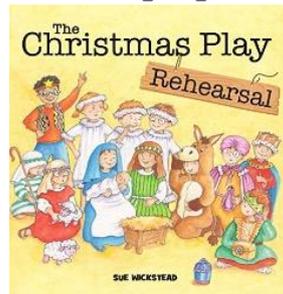

Week beginning 10/12/18

This week your child was learning about: Nativity Play

Literacy

Our books of this week were:

The Christmas Play by Sue Wickstead

This book is about a class preparing for their upcoming Nativity Play. We discussed the similarities of what happens in the story and what is happening in class as we prepare for our own performance of the Nativity.

Word on the Street:

This week our word is: Pretend

This week the children learned that word Pretend is to be something you are not. We discussed how we are all pretending to be someone else in our nativity play and how we pretend in our imaginative play as well.

Numeracy: Numbers and Shape, Space, Measure

How you can help your child at home:

Practice the sounds we have learned this Term, Try writing some of the words from above that contain the sounds of the week with your child. Even practicing writing the sound on its own will help your child gain confidence in their writing.

Practice using the Word on the Street in a sentence. How do you **Pretend**?

Practice Maths, can you find 2D shapes in the environment. Can you find numbers in the environment? Can you name the numbers on the bus?

Practice your lines for the nativity.
