

Week beginning 17/12/18

This week your child was learning about: Team Work

This week the children worked together and put on an amazing Nativity! They have been practicing very hard since the start of term and it showed. We would like to thank the children for all their hard work this term.

Well done!

Numeracy: Numbers and Shape, Space, Measure

Termly Review

How you can help your child at home:

Practice the sounds we have learned this Term, Try writing some of the words from above that contain the sounds of the week with your child. Even practicing writing the sound on its own will help your child gain confidence in their writing.

Practice Maths, can you find 2D shapes in the environment. Can you find numbers in the environment? Can you name the numbers on the bus?

We are sending home a holiday worksheet, if completed and returned your child will start the term with 5 Dojo points!

Things to remember:

- First Day of Spring Term in January is **Thursday 3rd, 2019**. We are back a few days earlier than other schools

Thank you for your ongoing support enjoy your break!
