

Messy play for under 1's

Every Monday 1.00pm-2.30pm Term time only

Does your child love getting their hands dirty while exploring the world around them?

Messy play helps children to stimulate their senses. The experience gained during messy play will help your little one experience a variety of textures. During messy play, babies and toddlers are developing eye-hand coordination and fine motor skills.

Please bring spare clothes and a towel for your children.
