

Week beginning 08/10/18

This week your child will be learning about: Our City:
London

Literacy

Our book of the week was:

Katie in London by James Mayhew. This story is about a little girl named Katie who goes off on an adventure to explore the city of London.

Word on the Street:

This week our word is: Patience

We discussed how we all need to be patient and learn to wait. While it may be hard, having patience helps everyone and eventually we can all get things done. Discuss with your child how they can practice being patient at home.

Numeracy

We have been introducing patterns. We looked at what makes a pattern, which is something that comes in a certain order and repeats. With your child find patterns in the natural environment and ask the children if they can describe the order and repeats. If your child can find patterns with shapes they can practice the shape names as well.

Phonics

ck, e, u, r

Your child may be familiar with these sounds already which is great! Moving forward maybe you and your child can find words in your daily environment that contain these sounds. Duck, run, egg, up

Spanish

This week we began to learn how to count in Spanish. They children have been learning this song you can sing at home.

How you can help your child this week:

Discover patterns in your environment and practice sounding out words you see on the street. Help your child learn patience and discuss what they might expect on their upcoming trip.

Things to remember for next week:

- Monday - Wednesday from 3pm - 3:10pm come join us for our Big Write!
- Tuesday October 16th class Trip to the Horniman Museum
- Parent/Teacher meetings well be held October 18th
- Friday October 19th - **No school**
- October 22nd to November 2nd - Half Term

We will let you know each term via a termly booklet about your child's termly topic, assemblies, visitors and school trip.

Thank you for your ongoing support.
