

Friday 1st February 2019

Dear Parents and Carers,

Thank you for your valued comments and suggestions regarding the lockers being outside and the children having to take off their coats in the cold.

I am pleased to say that we have found a short term solution to this. Your children will place their bags in their lockers, then coats and hats will be removed in the classroom and stored in a box ready to be used again at break and lunch time. Their lunch boxes will be stored inside the school along with reading folders.

Before home time, the children will put on their coats in the classroom and when their names are called, they will collect their belongings from their lockers and go home.

We have moved the lockers to make room for some much needed reading books for your children. Thank you for your support on this matter. I hope you all have a lovely weekend.

Yours sincerely

Mrs E-L Cathrae and The Year 1 Team
Vice Principal
