Times Tables and Weekly Spellings

Dear Parents and Carers,

At the beginning of the academic year we started testing the children's knowledge of High Frequency Words, Common Exception Words and regularly used words. There will be a section called 'non-negotiables' where your children will have to learn those words, then they will choose either the cool, warm or hot words.

We also tested children on their times table knowledge. As of next week we will be starting to test the children again, as this will form as part of our end of year evidence.

The table below shows the dates that your child will be taking each particular test.

Thank you for your continued support in helping your child with learning their times tables in addition to their weekly spellings. If you have any questions please do not hesitate to ask.

Yours sincerely,

Year 2 Team
