Dear Parents/Carers,

Out of School Club Fees

We are writing to let you know that unfortunately we have to increase the After School Clubs fees.

This decision hasn't been an easy one but after 8 years of keeping the fees down we have to make a small increase to the After School Club fees. Breakfast Club fees will remain the same but may have to increase later on in the year.

The new fees for After School Club will take effect from Monday 28th February 2019.

All fees should be paid in advance directly to us.

If you have any question or queries please don't hesitate to contact us.

Yours faithfully
